

RETRACTABLE PATIO AWNINGS

PRO SERIES 9800 FULL CASSETTE

Casnetted Awnings offer the highest level of protection for your beautiful awning fabric. It is designed to completely cover the fabric roll when closed, so that damage due to sun fade, harsh wind and precipitation will be minimal. This helps to prolong the life of the fabric and motor.

CASSETTED

THE SUMMERSPACE® CASSETTED RETRACTABLE AWNING features the same rounded hood as our semi-cassette model to offer complete coverage of the fabric roll when retracted. Additionally, the oversized front bar protects and hides the arms and shoulders when retracted. This awning is truly revolutionary in style and performance.
